

Requirements for becoming a Works Connection Dealer

If you are **currently** a dealer with **Parts Unlimited** or **Western Power Sports** proceed directly to 'Create Dealer Account' and fill out / submit the application.

If you are **not currently** set up as a dealer with **Parts Unlimited** or **Western Power Sports** and do not plan on getting a dealer number from either distributor, please review the requirements below and then proceed to 'Create Dealer Account' and fill out / submit the application.

1. Dealership must be operated on a full-time basis with a stocking inventory and a retail showroom, open for business a minimum of 8 hours per day or 40 hours per week.
2. Dealership must be operated from a business or commercial location.

Additional items required:

- A) Photo of the exterior of the shop
- B) Photo of the interior of the shop
- C) Current California Resale License (CA dealers only)

-
- Payments accepted: Visa, Master Card, Discover and American Express.
NO TERMS
 - We have a 'No Drop Ship' policy
 - You will be notified electronically after receiving your application to confirm the status of your request.
